

2019 Napa Valley Red Wine

Character

Our small production Napa Valley Red Wine is always a blend of Bordeaux varietals, with the composition changing each vintage year. This 2019 Red Wine is Merlot dominant with a bit of the structure and heft of an added smidge of Cabernet Sauvignon.

Flavor Profile

Red fruit dominates during the initial impression with red currant and wild red cherry. Time in the glass opens the discovery of Bing cherry, pie cherries, cola, and black currant leaf. A savory character of herbs de Provence plays well with the texture associated with tannin and a dusty quality.

The soft tannins are fine grained and show persistence on the palate with the lengthy, layered finish.

Longevity

The wine is ready to drink now. Time in cellar will only add to the complexity and evolution of tertiary aromas and bouquet. Acidity and structure tell this wine will cellar 10 to 12 years.

Vintage: 2019

Appellation: Napa Valley

Cépage: 93% Merlot, 7% Cabernet Sauvignon

Barrel: French oak, 57% new

Production: 353 cases
