TASTING NOTES

This gem is inky, deep and dark, with sweet scented aromas of ripe blackberries and black cherries. It's complimented by savory dark chocolate, dried rose petals and cedar. It is full bodied and silky with intense fruitiness rounded out by flavors of currants, dates, figs and mineralities. It is well balanced with pronounced tannins, a great mouth feel and impressive length. Enjoyable now and will cellar for 15 to 20 years.
